President's Comments

What a beautiful weekend for a camping experience, especially for a Southern Illinois July! The walking, the talking, the gathering for meals was just great. I don't know which ranks higher, **Norma Koen** serving up pork burgers or the group supper at the Giant City lodge. Needless to say, those of you who were unable to do the July Free Rally missed another good one.

The International Rally at Madison joins the other ghosts of Internationals past with memories that will linger for a long time. The attending members of our unit "done us proud." Southern Illinois folks were everywhere serving on committees and participating in events. Thanks to all of you for being the best. A couple of new streamers were added to the unit flag. Another gold has been added for the 2008 superior unit award and a red streamer for second place theme in the bulletin board contest. All members should make certain that we know the things you did for addition to the unit award paper work.

My delegate's report is shorter than the three roll call votes needed to accomplish the agenda at the delegates' meeting. The slate of International officers and nominating committee members passed as presented in the "Blue Beret." The two amendments, first on 20/20 and the second on affiliate member right to represent, both passed. A heads up to the fact that these amendments require a change in our unit constitution. More on this later.

Here is another plug for the August rally. (Continued on next page)

It is a new place and the folks at the airport are doing their best to make our accommodations good. You will have 30 amp electricity and the meeting place has A/C. Add a host of activities we won't even be able to cover in one rally and you have the makings for a really good show. We hope to see many, if not all, of you there.

Remember what I've said in the past. The middle part of rally is all. So we will see you down the road and, as always, may God Bless.

Art and Doris Meier, President and First Lady

Corresponding Secretary Notes *from Doris Meier:*

The International Rally at Madison is now history. Before the rally started, the weather was a bit uncomfortably hot but once the rally started the temperature got nice. Unit members attending were **Tom** and **Bettie Bolander**, **Max** and **Sarah Doerr**, **Walter** and **Linda Hangsleben**, **Roger** and **Marian Hoffmann**, **Jerry** and **Louise Humble**, **Norma Koen**, **Art** and **Doris Meier**, **John** and **Rose Ann Schwartz**, **Tim Schwartz**, **Gordon** and **Carol White** and affiliate members, **Bob** and **Carol Luther**, **Bill** and **Barb Schrader**, **Norm** and **Sharon White**, and **Bob** and **Sandy Whitesell**.

Our unit was in charge of the Illinois Luncheon which was held at the Bourbon Street Grille. The family style chicken and prime beef dinner was served to 60 guests. Several door prizes were given away. **Art** and **I** had purchased many Airstream gifts from Bill Thomas, receiving a discount, and also received donations from **Whites** and homemade gifts from **Sarah Doerr**.

The theme of our unit gathering was "A Taste of Wisconsin" which highlighted a selection of Wisconsin cheeses and brats. We were joined by Region 5 President and First Lady, Bob and Lee Moyers, and Region 5 Second Vice-President, Bob Gregory and Lu Shaw.

Besides eating, our unit also a lot of volunteering: **Carol** and **Sarah** were Quilting Experience leaders; **Jerry** was Trash Dumpster chair; **Carol**, **Linda** and **Norma** helped with Medical Services; **Louise**, **Tom** and **Art** were Talent Show participants, **Walter** and **Jerry** helped with Sanitation Services; **Tim**, **Rose Ann**, and **John** presented a session on Web Site services; **Gordon** worked on the Computer Services Committee; **Art** played for Morning Devotions; and **Doris** worked on Building Security and helped with the Unit Leader Workshop. **Louise** kept with Region 5 First Vice-President duties and **Gordon** attended several 2020 Committee Meeting. Please let me know if I have missed someone.

Tom and **Art** enjoyed playing in the jam sessions. Many enjoyed touring Madison and nearby areas and enjoyed the evening entertainments. Several games of "golf" were played.

Our unit bulletin board won second place on the theme category! Two prizes were awarded to **Norma Koen** and her dog, Rex, in the pet show--first prize for tricks and second prize in costume. **Sarah Doerr** took second in crocheted doll clothes and third for a crocheted table doily. **Carol White** took third in machine quilted quilts.

Our Free Rally at Giant City Park July 17 - 19 was a quiet, peaceful weekend. We were joined by a guest, Steve Mentz from Trenton. Members attending were **Jerry** and **Louise Humble**, **Conrad Jenkins**, **Norma Koen**, **Bill** and **Wanda Lockin**, **Art** and **Doris Meier**, and **Curt** and **Jane Wheat**, **Linda Hangsleben** drove in. **Norma** cooked some delicious pork burgers and members prepared other dishes for our pot luck. Saturday morning, several members took a hike and found names curved on stone in the Civil War camp. We ate at the Lodge Saturday evening. (Continued on next page)

Joining us for dinner were **Max** and **Sarah Doerr**, **Roger** and **Marian Hoffmann**, **Leroy** and **Vera Pittman**, **Roland Keim** and friend, Ginny Smith. A delicious family style chicken dinner was enjoyed by all! Our evening was spent sitting around a camp fire built by Steve. It was perfect for the cool weather weekend.

It was great to see **Curt** gaining strength and back to towing. **Leroy** still has surgical wounds that need to heal. **Karl** is taking an experimental medication from Mayo Clinic for his oxygen blood level. **Louise's** son has had surgery for eye problems. While splitting wood with a mechanical wood splitter at their cabin in Wisconsin, **Bill Schrader** mashed the ends of two fingers on his right hand and ended up losing the ends of the fingers. These members continue to need our prayers.

UNIT DUES

It is time to begin thinking about paying dues for 2010. The dues for 2010 will be \$70, of which \$55 is International dues and \$15 is Unit dues.

Linda Hanglesben will have dues receipts at the August Rally, and will be ready to accept your dues payment. She will mail dues notices to all who are unable to attend that rally.

September Rally Preview

The September rally will be held at the Pinckneyville City Park on September 11-13. **Nugterens**, **Doerrs**, and **Howells** are the rally committee.

Region 5 Community Service

Now is the time to stock up on food items to donate to the Meade County Food Bank during the Region 5 Rally in September. While all non-perishable food is welcome, the director has specifically requested canned meat items. Following last January's ice storm, the staff found that many recipients had no electricity for a long time. Those of us who experienced the May 8 wind storm can certainly relate to that! Let's help them fill up their shelves with what they need!

International Rally Community Service

Our unit contributed to the community service opportunities at the Madison International Rally. Our members contributed a stuffed

animal, 9 baby blankets, and 14 baby caps. **Linda H.** donated a pint of blood during the blood drive. Several sacks of aluminum tabs were turned in. Our worship service offerings this year resulted in a contribution of \$375 to Cents for Kids Program. Finally, \$8.00 in pennies was given to the Cents for Kids Program.

Art Meier's redesign of our Unit Bulletin Board won second place in the rally theme category. WAY TO GO ART!
